ORDER:

In G.O.No.1448, Public Health, dated 25-6-1943 the term 'field service' has been defined to mean such periods of military duty as the Government may from time to time determine. The Government of India have since suggested that all service in the Army with "general service liability" should be regarded as "active Service" whether the officer concerned was actually posted to an operational unit or not. The Government have decided to accept the suggestion of the Government of India, and proceed to apply the definition to the term 'field service' mentioned in the rules relating to medical officers and compounders under the local bodies.
